

KEY | **KEY**
INTERNATIONAL

Key-intl.com

"In the symphony of meticulous design, a stage unfolds for the harmonious dance of diverse and ideal ways of working."

Unlock the potential of a new office concept with KEY's distinctive blend of rich knowledge and attentive service. Join us in envisioning a fresh workspace, combining the expertise and experiences cultivated from shaping offices globally, including our collaboration with HAWORTH and various other manufacturers.

Why choose Key International?

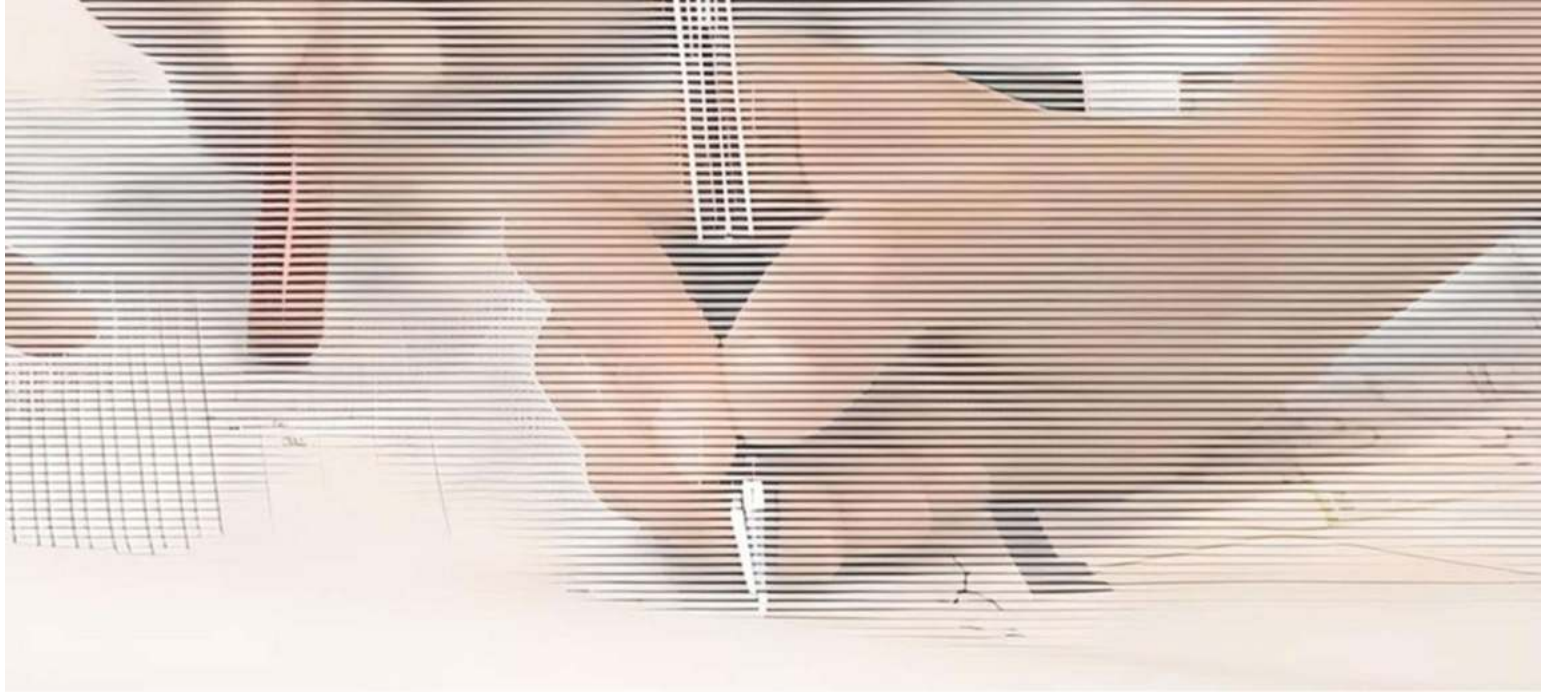

We pride ourselves on pragmatic cooperation, a high level of professionalism, and extensive expertise. With our wide-ranging knowledge, we consistently deliver optimal solutions for your needs, exceeding expectations every time.

Rest assured, with us, you'll have a consistent point of contact, providing accessibility for advice or inquiries whenever needed. Our dedicated consultants drive projects to successful completion, delivering results that exceed expectations.

We meticulously adhere to budget and timelines for all projects, offering transparency throughout the process to prevent any unexpected developments.

As your reliable partner, we cater to diverse organizational needs, offering tailored solutions from strategic guidance to seamless implementation.

ABOUT US

Since its establishment in 1991, KEY International has leveraged the expertise gained from office furniture sales to curate distinctive and personalized workspaces.

Going beyond the role of traditional furniture dealers, KEYs provides comprehensive services that include space planning for offices, factories, and hospitality settings. We also specialize in procuring high-quality furniture and ensuring efficient installation.

Headquartered in the vibrant heart of Manhattan, New York, with additional offices in Dallas, Shanghai, and Tokyo, we actively participate in diverse global markets. Our seasoned specialists are dedicated to achieving success in every project, utilizing their industry insights to conceptualize and design ideal workplaces and hospitality environments that align seamlessly with your budget.

We eagerly anticipate the opportunity to deliver solutions that perfectly cater to your needs.

OUR SERVICE

Strategic planning and design services for new office & factory spaces, employing advanced 3D rendering modeling and CAD technology.

Professional furniture enhancement services: Expert refurbishing, refinishing, and reupholstery for existing furniture.

Integrated furniture solutions: Offering seamless services including sales, delivery, professional installation, and ongoing maintenance.

PLANNING PROCESS

Conduct research, summarize findings, and analyze data.

- Survey Existing Furniture
- Questionnaire
- Analysis

5

Aftercare

Punch List, Data Retention, Warranty, Maintenance

- Post-Installation Inspection
- Ongoing Warranty Care
- Comprehensive Support for
- Add-on Orders, Modifications, & Replacements

WE HAVE A DEEP UNDERSTANDING

OF THE MYRIAD REQUIREMENTS THAT DRIVE TODAY'S MOST EFFICIENT WORKPLACES.

A TRULY ORGANIC WORKSPACE WILL INHERENTLY FOSTER QUALITY

OPERATIONS BY SEAMLESSLY BLESSING FUNCTIONALITY AND RESPONSIVENESS,

PROVIDING AN OVERALL INCREASE TO PRODUCTIVITY, CONSISTENTLY HIGH LEVELS OF SATISFACTION, COMFORT,

SAFETY, AND RELIABILITY. IN ORDER TO BUILD THIS IDEAL WORKPLACE, THERE MUST BE SYNERGY BETWEEN THE

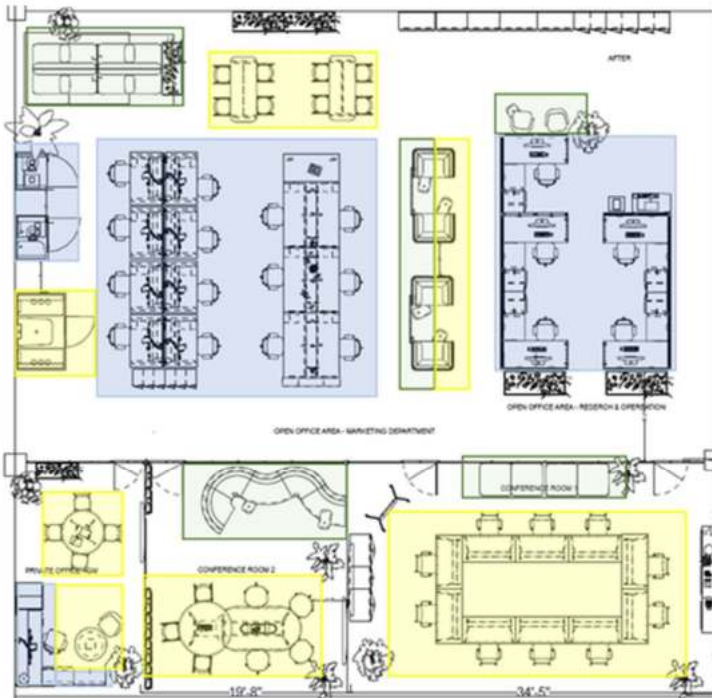

ELEMENTS OF CONSTRUCTION, EQUIPMENT, FURNITURE, AND DESIGN. BY USING OUR EXPERIENCE AND OUR

UNDERSTANDING OF INDUSTRY TRENDS, YOU CAN REST ASSURED THAT KEY INTERNATIONAL WILL HELP YOU

DESIGN A WORKPLACE THAT INSTINCTIVELY AND PROVIDES CLEAR ADVANTAGES TO EFFICIENCY AND

THROUGHPUT.

ZONING & LAYOUT

Focus Area	Collaboration Area	Retreat Area
		

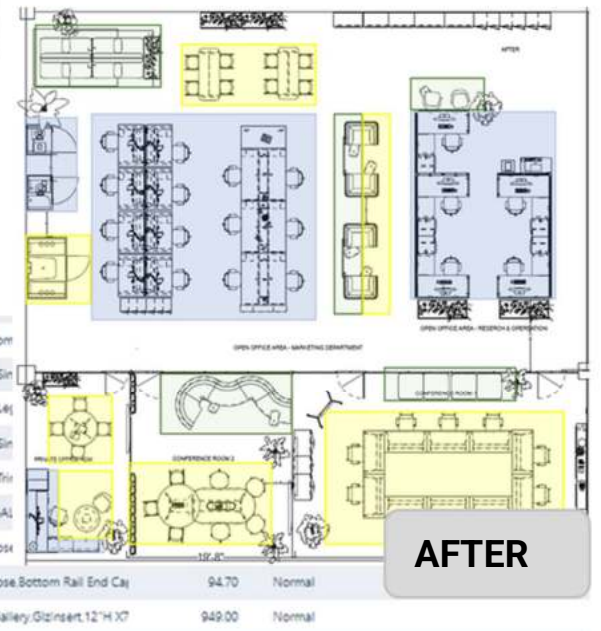

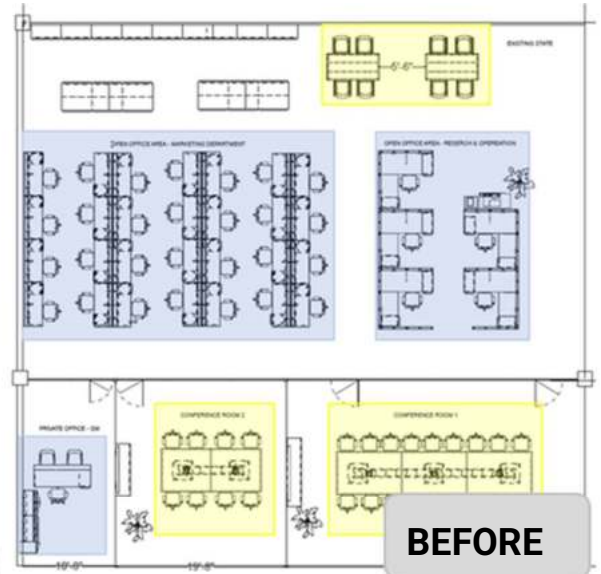

LAYOUT

Since no two offices are exactly alike, it's vital to both understand and work directly with our clients in order to layout the best office environments within the parameters of the physical space, providing maximum use the floorplate and ensuring that all individual parts mesh together into a cohesive design package.

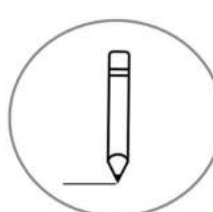

ADDITIONS

ADDITIONS

By leveraging the latest digital software, we meticulously document every purchase, including model numbers, quantities, color finishes, prices, and more. This enables us to promptly and precisely address our clients' needs for add-ons, warranties, or reconfigurations.

Item #	Qty	Model	Description	Price	Notes
140	1400	VZLL-1600-PSFN,TR-PLS	Beam, Sir		
150	1500	VZTI-0860-PVWN,TR-PLS	Beam, Sir		
160	1600	VZCE-0800-ANBA,TR-PLS	Beam, Tril		
170	1700	SYXW-4272-LVNG,H-BJ,HP-BJ	CMP, GAL		
180	1800	VZGK-1260-AS4R,TR-K,SK-E21	Compost		
190	1900	VZGE-0000-A,TR-K	Compose Bottom Rail End Caj	94.70	Normal
200	2000	SYGG-1272-ZAR,SK-1C	CMP Gallery Glzinsert,12"H X7'	949.00	Normal

The primary advantage of our digital system lies in relieving clients of the burden of managing intricate furniture specifications. With our After Care service, we consistently offer support whenever needed. Our maintenance service extends beyond handling adjustments in existing offices; we also facilitate seamless transitions into new office spaces by seamlessly integrating existing furniture with new pieces and ensuring alignment with updated layout drawings.

INSTALLATION

INSTALLATION

Easy as 1-2-3 !

#1

#2

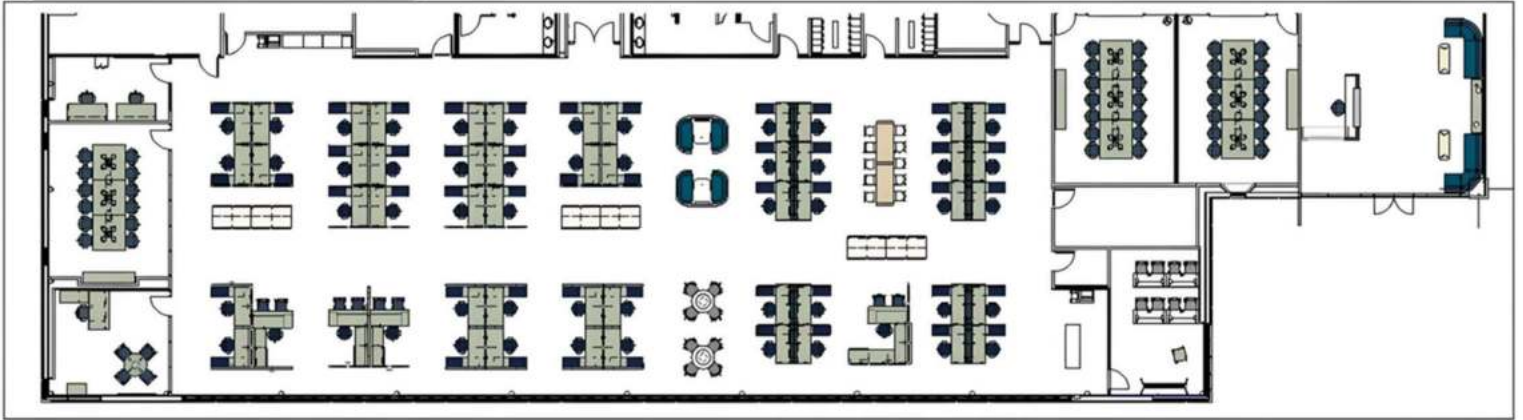

#3

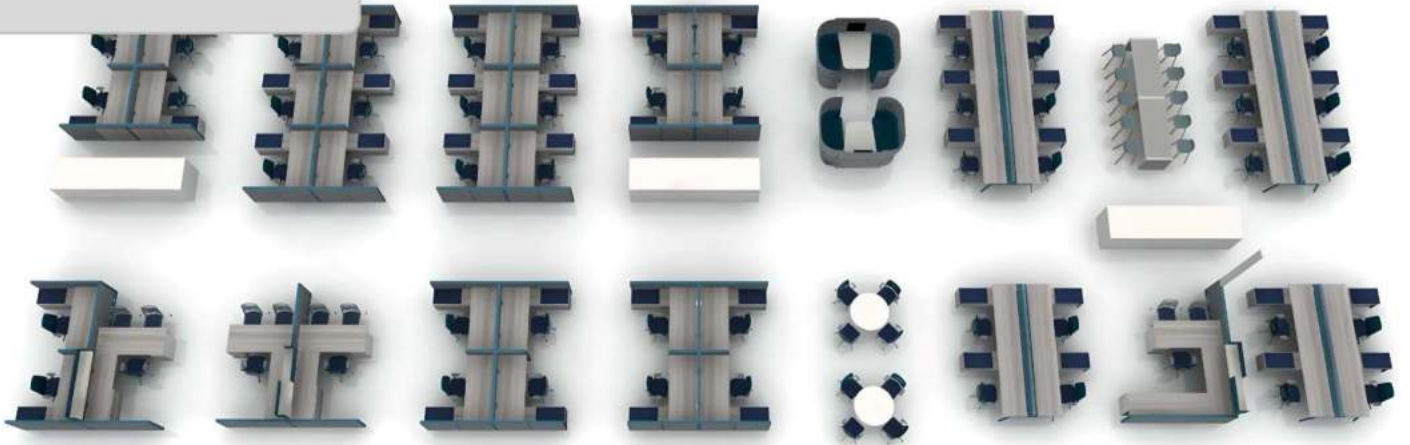

To facilitate smooth operations at the job site, we furnish clear and concise installation drawings and instructions to relevant vendors such as those involved in construction, electrical work, and data management.

As a Preferred Dealer for Haworth, we provide our clients with a diverse selection of meticulously crafted and aesthetically pleasing furniture options. Through our longstanding partnerships with numerous esteemed manufacturers, we guarantee to furnish every corner of your office with the finest furniture solutions tailored to your needs.

ABOUT HAWORTH

At Haworth, we believe that as business changes and workstyles evolve, workspaces must adapt, too. After all, the office of today looks very different from the office of twenty, ten, or even five years ago. That's why we've become a champion of adaptable workspace solutions. In addition to being more user-focused and economical, they are also more sustainable, responsible choices. And they help bridge aesthetic objectives and business needs.

Adaptable Workspaces Solutions are:

User-focused: People are at the heart of every business. By increasing satisfaction and comfort, and supporting a variety of user needs, Haworth products help attract and retain top talent. At the same time, they can effectively enhance performance, helping achieve other business goals.

Economical: By making moves, adds, and changes faster and easier, minimizing downtime, reducing the need for new product with every change, and building in energy efficiency, Haworth products make economic sense throughout their lifetimes.

Sustainable: There are "no tear it out and start over" mentality here. We look at manufacturing processes, materials sourcing, and opportunities to recycle. But the heart of our philosophy is re-use. Making every component work in multiple ways diverts massive amounts from landfills.

Integrated: Our complete dimensioning and materials integration across product lines provides exceptional design freedom while ensuring that every space attains a cohesive aesthetic that retains its integrity with every configuration.

As a leader in office furniture and architectural interiors with a worldwide presence, Haworth products are informed by a lifetime of global learning. We have nurtured a corporate culture committed to superior customer service, environmental responsibility, and engineering innovation.

INDUSTRIAL FURNITURE

We offer industrial furniture solutions tailored to your workplace needs. Don't hesitate to reach out to us; we're here to assist you without any obligation.

PLANNING PROCESS INDUSTRY FURNITURE

1

Research

Conduct research, summarize findings, and analyze data.

- Survey Existing Furniture
- Questionnaire
- Analysis

2

Basic Planning

Space Planning & Zoning/Conduct layout and environment study.

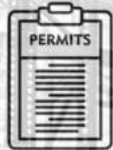

- Concept Planning
- Space Planning
- Layout & Design Options

3

Permit Submission

Any warehouse with racking taller than 5'9" must have a building permit and fire permit.**

- Prepare CAD Drawings
- Seismic Calculations
- Fill out Permit Forms

4

Order Planning

Final Pre-Order Steps

- Material Selections
- Storage Selections
- Layout and Renderings
- Detailed Pricing
- Pre-Order Checks

5

Implementation

Conduct research, summarize findings, and analyze data.

- Survey Existing Furniture
- Questionnaire
- Analysis
- Independent & a Permit Inspection

6

Aftercare

Punch List, Data Retention, Warranty, Maintenance

- Post-Installation Inspection
- Ongoing Warranty Care
- Comprehensive Support for Add-on Orders, Modifications, & Replacements

** Please note that the specifics of these requirements may vary depending on your location, so it's best to get in touch with local code enforcement to find out if there are any changes in your area.

Our consultant possesses extensive expertise in pallet racking, picking shelves, and various industrial furniture solutions.

PROPOSAL PACKAGE

Key International maintains relationships with hundreds of furniture manufacturers. Based on each client's unique requirements and preferences, we leverage this extensive network to recommend a tailored selection of both quantity-focused and reliable companies.

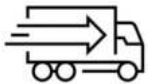

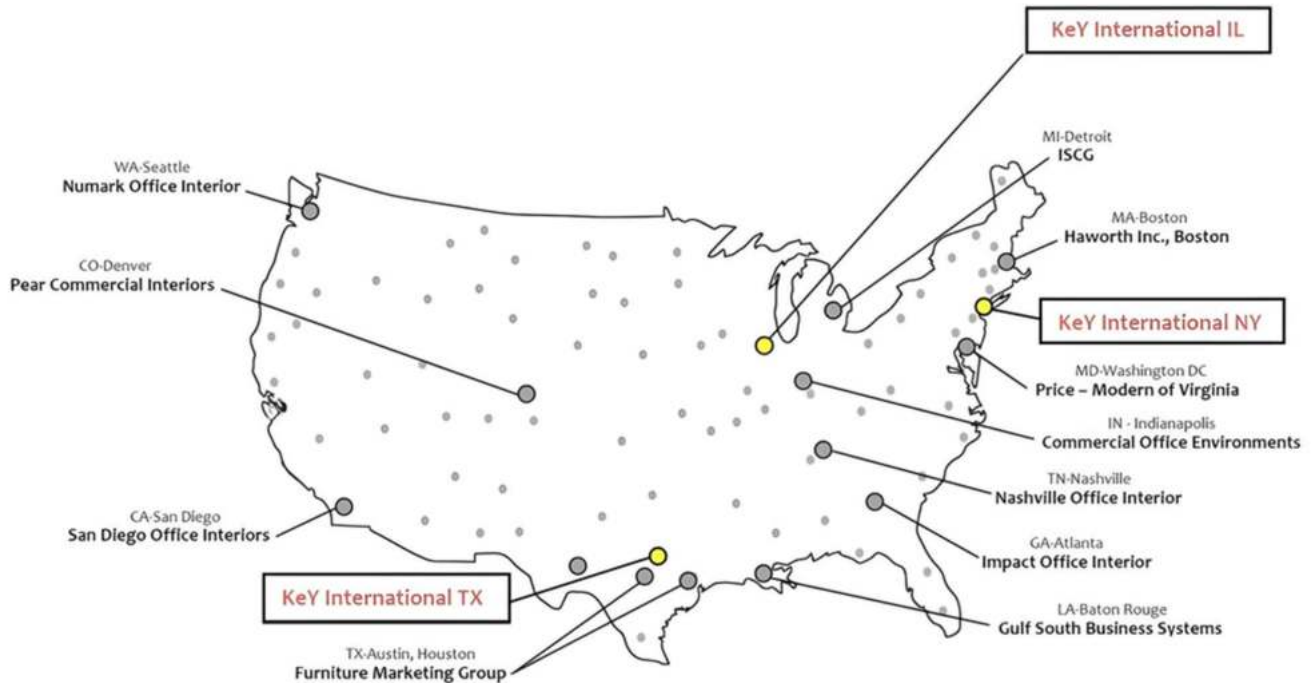

3D RENDERING

High-quality and customized 3D renderings are essential components of comprehensive presentations. Leveraging our skilled in-house design team, we swiftly deliver tailored 3D renderings that offer a vivid depiction of your prospective workplace, ensuring clarity and precision in visualization.

NETWORK

As a member of a nationwide dealer network, Key International ensures consistent, high-quality installation services regardless of the location. With a track record of thousands of successful projects completed across North America and Asia, you can trust us to deliver excellence wherever your project may be.

Quality Control

We use local installation companies but are always on hand to maintain control over every facet of delivery and installation, completion inspection and after-service/warranty work.

Schedule Control

The members of our sales teamwork in conjunction with our in-house purchasing team, which oversees general order control, transportation logistics, delivery execution, after-service/warranty work and overall schedule management.
